Newark, New Jersey

TNT School-Based Youth Services Program Parental Consent

The School-Based Youth Services Program is operated by University Hospital within the Essex County Vocational Technical Schools. Our goal is to support the social and emotional development of students; helping them learn to be mentally and physically healthy, find employment and graduate with plans for the future. We provide the following services:

- Substance Abuse, Pregnancy and Violence Prevention Programs
- Employment Assistance
- Individual, Group, and Family Counseling provided by or under the clinical supervision of a licensed counselor or social worker.
- Health Education and Peer Leadership Activities

We welcome and encourage parental involvement in our activities however we will respect students' requests for confidentiality except when disclosure of information is required by law or to ensure student safety. Many of our activities take place after school. If you have any questions, please contact us at (973) 412-2080.

Funded by the New Jersey Department of Children and Families
