## **The Heart of UH**

Everyone knows it's the *people* who are at the heart of UH.

Whether it's the nurse who calms a frightened patient, a colleague who unravels a complex problem or the EMT who organizes a toy drive, we all know *someone* who deserves an extra "pat on the back." That's what the **Heart of UH** is all about!

## **Quarterly Employee Recognition Program**

And speaking of appreciation, don't forget about the **Quarterly Employee Recognition Program**, which allows staff to nominate a fellow colleague for:

- Outstanding Patient Care
- Outstanding Service Excellence and Support
- T.E.A.M. Award (Team/Department)

Details for this program, can be found on UHNet.

## **Remember...A Little THANKS Goes A Looooong Way!**

Don't be shy. If someone at UH has inspired you - tell them!

Your words of appreciation will not only make *their* day, but may also inspire *others* to pay it forward.

The Heart of UH

Be Inspired!
