CONNECTING WITH THE COMMUNITY

JOIN THE

Connecting with the Community Committee

As a volunteer you can assist with planning internal and/or external activities around holidays, observances and other special events. For the first quarter, we are planning Black History Month, Women History Month, Wellness Wednesdays, and virtual community workshops.

This is the Committee to ensure holidays and/or observances are included. Open to Rutgers NJ Medical School and University Hospital employees.

Feel free to volunteer for one or more events.

Email community@uhnj.org to join this exciting committee.
